Academic Activities and Outgoing Information Report

Reporting Period: 7-01-2026 to 27-02-2026

Prepared by: Timi Adebayo/ Academic director

1. Student Requests for Past Questions

•Responded to requests from students for past examination questions.

•Provided the requested past questions to students promptly.

2. Academic Assistance Rendered

•Assisted a few students with challenges in their lab reports. Explained concepts and guided them through corrections.

•Supported one ND 2 student with multiple courses; guidance provided is ongoing.

3. Complaints Received

•No formal complaints were received during this period

4. Other Important Matters

•No additional matters to bring before the association at this time. And all other related problems were resolved and being handled by the HOD

Summary:

During this period, efforts were focused on providing students with past questions and assisting them academically with lab reports and course content. Continuous support is being provided to students requiring further assistance.
